

Guia Modulo 1: Weather Vocabulary (Clasificacion de Clima)

Oxford Online Practice 7.1 - Vocabulario oficial, email de Joe y reglas de clasificacion

1. Las Dos Categorías Principales de Clima

En la unidad 7, Oxford clasifica el clima en **Nice Weather** (buen clima) y **Bad Weather** (mal clima):

BUEN CLIMA (NICE WEATHER):

- **The sun is out** = El sol esta afuera / Soleado.
- **It's warm** = Hace calor / Esta templado.
- **There's no rain** = No hay lluvia.
- **Clear sky / Sunny day** = Cielo despejado / Dia soleado.

Ejemplo: In London, the weather was nice because the sun was out and it was warm.

MAL CLIMA (BAD WEATHER):

- **The sky is filled with clouds** = El cielo esta lleno de nubes (nublado).
- **It's cool and there's a lot of wind** = Esta fresco/frio y hay mucho viento.
- **There's snow and cold weather** = Hay nieve y clima frio.
- **It started to rain** = Empezo a llover.

Ejemplo: In Spain, the weather was bad because there was freezing wind and heavy snow.

2. Resumen del Email Oficial de Joe a Sinai

Carta de Joe:

"In London, the weather was nice: it was warm, the sun was out, and there was no rain. But here in Spain, the weather is bad: there is no sun, the sky is filled with clouds, and there's a lot of wind. There's even snow in the mountains! I can't wait to come home!"
